

CHILDREN'S BOOK and TOY DONATIONS

A very big **THANK YOU** to Susan Gabriel from Sydney who generously donated \$400 to buy developmentally appropriate toys, books, and craft activities for the children in Dharmik sponsored homes. As you can see in these photos they were much appreciated!

**Another big THANK YOU to the Department of Recreation and Play Therapy,
Sydney Children's Hospital, Randwick
Who donated a variety of small toys, which the kids really loved (and fought over)!**

The "glow-in-the- dark dinosaur and fish were a big hit!
